Prof. Dr. Adam Ostrzenski
President
World Congress on Cosmetic-Plastic Gynecology
7001 Central Ave.
St. Petersburg, FL, 33710
USA

Dear Prof. Ostrzenski:

With great scientific-clinical responsibility, the President of the Faculty of Medicine and Surgery at Padua University, Italy, assumed the auspices of the World Congress on Cosmetic-Plastic Gynecology Complications: Prevention and Corrective Therapies, scheduled online, April 28-30, 2023. The Faculty of Medicine and Surgery and I will work tirelessly to guarantee the scientific and clinical quality, objectivity, credibility, creativity, and appropriate transparency of the congress. Furthermore, the President permits the World Congress Organizing Committee to link to the Faculty of Medicine and Surgery page on the Padua University website.

Kind regards,
Prof. Dr. Stefano Merigliano
President
Faculty of Medicine and Surgery
Padua University, Italy
